Two Teledentistry Virtual Visit Options Are Now Available During COVID-19

Dear Patient,

The novel coronavirus (COVID-19) pandemic has quickly changed our daily lives and Soft Touch Dental is doing everything we can to help during this public health crisis. As part of our ongoing efforts to help contain the spread of COVID-19, we are now offering Virtual Office Visits with Dr. Dijour as an alternative to office visits. Dr. Dijour will be available to discuss your condition, help determine a diagnosis and prescribe medications if needed.

How do I schedule a virtual appointment?

Call **(732) 607-6400** to request a virtual visit. We will return your call and schedule the visit.

How does a Virtual Visit work?

Two options are available for virtual visits:

1. Using **Doxy.me** is extremely simple and easy. You can access from your **Desktop, Tablet or Smartphone**. Just click on Dr. Dijour's personalized room link (<https://doxy.me/dr Dijour>) to join her for a video call. No need to download software or create an account. Just use a browser on a computer or device with a camera and microphone.

2. Using **Dentulu.com** is also easy if you have an **iPhone or Android Phone**. <https://www.dentulu.com/>
Install the Dentulu app for Apple iOS or Android Devices on your phone: <https://app.dentulu.com/>

We are still available in the office for emergency care?

Call **(732) 607-6400** to request an emergency in-office appointment. *If you have a dental emergency, please do not go to the hospital emergency room - call us at (732) 607-6400.*

Wishing you and your family safety and health. We miss you and hope to see you soon.
